

About Arcadia Ob/Gyn, PC

We are here to help you

About Us

Conveniently located in New York, with offices in Manhattan and Queens, Arcadia OB/GYN is a full-services women's healthcare practice center that is affiliated with New York University Medical Center. We offer highly skilled OB/GYN services in addition to providing a full spectrum of gynecological care to women. Non-invasive and minimally-invasive surgical procedures are also available in the form of robotic, laparoscopy, and advanced hysteroscopy.

Women require specialized care in order to nurture their reproductive health. In addition to routine well-woman examinations, we at Arcadia OB/GYN can address conditions such as endometriosis and uterine fibroids as well as any bleeding symptoms. We always put our patient's health and well-being first. Our dedicated team focuses on the individual needs of women in a nurturing and caring environment.

Our Team

Dr. Robert Berg

MD, OB-GYN

(<http://www.obnyc.com/1>)

Dr. Berg is board certified in obstetrics and gynecology and has been servicing women's needs throughout Manhattan and Queens for a number of years. As member of the American College of Ob/Gyn and the American College of Surgeons, Dr. Berg brings the highest credentials, education and care to each patient.
