Carolina. Of those four, Pendergraft continued to operate two facilities either illegally or under questionable legality. After Operation Rescue reported that the Fort Lauderdale Women's Center continued to do abortions illegally after its facility license was revoked and that a complaint was filed by *Broward Right to Life*, the facility finally shut down.

Now, ironically, Pendergraft has been converting some of his abortion facilities into marijuana distribution clinics — the very thing that earned him a felony conviction in South Carolina.

The strong connections between the abortion businesses and medicinal marijuana clinics points to the very real possibility that Pendergraft is still in practical control of both businesses, which would be a violation of Board order for him to divest himself from the abortion businesses.

"We don't want to see another license suspension for Pendergraft. He has proven that he has no respect for the law or the rules that apply to the practice of medicine in Florida. Repeated suspensions have done nothing to cause him to (continued on next page)

### Pray for . . . Sarah Traxler

Sarah Traxler is an ob-gyn and the Medical Director of Planned Parenthood in Minnesota, North Dakota, South Dakota (PPMNS), overseeing the killing of nearly 600 unborn children a year at the Planned Parenthood (PP) in St. Paul and Sioux Falls, S.D.

In PPMNS' report for 2016/2017, Traxler is quoted, "I have committed to making the health care experience of my patients as positive as possible, even during difficult times. It's a joy to work in a place where this type of care is taken so much to heart. It's like being a part of a family."

Please pray that Traxler would repent of the evil she's involved in at PP and would come to know REAL joy in submitting her life to Christ and in upholding the sanctity of life.

### Listing Abortonists

A hallmark of our ministry has been confronting the evil of abortion with the love of Christ. This approach has included publicly identifying who the abortionists (and pro-abortion leaders) are. The practice of placing the names of abortionists in this newsletter has a twofold purpose: to ask for your heartfelt prayers for the conversion of those listed and to inform you so that you are not patients of those committing abortions.

The criteria for placing someone on this list is that the individual is directly involved in committing abortions and that this has been reasonably verified. We have resoundingly condemned any sort of physical or psychological threats to anyone involved in abortion. Our desire is for the love of God to permeate the lives of those associated with abortion, that they will turn away from the harm they inflict and become followers of Christ as so many before them have done. Please pray for the following abortionists:

Ask your doctor if he/she does abortions or refers for them, or prescribes abortifacients such as the Pill, Ortho Evra (the "patch"), Depo-Provera (the "shot"), Nuva-Ring, the "morning-after pill," implants, or the IUD. All these methods (and others) can cause very early abortions by thinning the lining of the uterus so that if breakthrough ovulation occurs (which is possible) and a new life is conceived, the young human being may not be able to attach to the uterine lining and therefore he or she dies. These methods can also be very dangerous, even deadly, to the woman. If you live in Minnesota and would like to go to a completely pro-life physician, we have a list of such doctors. Call (651) 771-1500.
