Obstetrics and Gynecology

Trust your OB-GYN care to the area's most experienced provider. Christiana Care offers a superior level of obstetrical and gynecological services for women at every stage of life. Because of our commitment to women's health, we have been designated by the U.S. Department of Health & Human Services as the region's only National Community Center of Excellence in Women's Health.

Everything we do is centered on you. As partners with you and your health care team, we can offer you excellent OB-GYN care that incorporates the best practices and best technology available.

OB-GYN care for women of all ages

Complete obstetrical and gynecological care, including:

- Contraceptive counseling and management.
- Diagnosis and treatment of sexually transmitted infections.
- Peri-menopausal or menopausal care.
- Patient education and counseling.
- Screenings, including pap smears and other routine exams.
- Referrals to other services at Christiana Care or in the community for your complete health care needs.

Comprehensive and convenient

You can visit our obstetricians and gynecologists at Christiana Hospital, Wilmington Hospital and the Health & Wellness Center. The Center for Reproductive Health at our Christiana campus specializes in innovative contraceptive techniques and provides comprehensive reproductive services, especially for women with complex medical issues. The Center for Women's Health in Greenville offers multidisciplinary care for the toughest gynecologic cases. And the Delaware Center for Maternal & Fetal Medicine of Christiana Care specializes in providing care for high-risk pregnancies.
