□ Reviews

The Patient Experience Rating score is an average of all responses to provider related questions on our nationally-recognized [Patient Satisfaction Survey](#). Responses are measured on a scale of 1 to 5, with 5 being the best score. Comments also are gathered from our Patient Satisfaction Survey and are posted following strict guidelines. Patients are de-identified for confidentiality and...

Show more concern for your existing patient and her concerns. Stop bringin in interns to do your work/experimenting on me! Follow-up with your patient when emailed/called! Will not return. Will find OB/GYN that addresses my issues!
- *Verified Patient*

I also like the resident (I think) that was working with Dr Hdlaky. She was very respectful and listened carefully to my questions, before Dr Hdlaky entered the exam room. Both Drs were great.
- *Verified Patient*
