SARA LYNNE KENNEDY

MPH, MPH, MD

OVERVIEW

Professional Focus

As an obstetrician and gynecologist, I am interested in making women, and thus their families, healthier, through both excellent clinical practice and changes in policy. I have published several papers on contraception and reproductive health. I have traveled extensively and earned my MPH in Australia.

Honors & Awards

Rotary Ambassadorial Scholarship Award to Australia, Resident and Fellowship Teaching Awards, Outstanding medical student research award, Top residency research award
