A Womens Choice.

For over thirty years, Southwest Florida Womens Clinic has been providing compassionate, reliable and trustworthy medical services for the [women](#) of Florida.

At Southwest Florida Womens Clinic, we specialize in gynecology, including medical and surgical abortion up to the 16th week of pregnancy.

We are here to listen and accept your decisions in a non-judgemental way.

PLEASE NOTE: We have lost our lease in North Fort Myers due to the protestors! We have not found a new location in Fort Myers yet, but we hope to be back there soon. In the meantime, we are seeing patients at our Port Charlotte locatiion only:

21178 Olean Boulevard Unit C'

Port Charjotte Florida 33952

941-629-3646

To keep our prices affordable for everyone we currently do not accept any insurance.
