

# Referring Physicians

## For Referring Providers

### Referring patients

- Please call us at (310) 825-5961 to check our availability.
- Medical records may be faxed to (310) 206-3649.

Access the **eReferral system** at [www.uclahealth.org/refer](http://www.uclahealth.org/refer) and after registering for an account, you will be able to submit a referral with the completion of a short form requesting basic information about the patient.

### **Additional information for referring HMO patients**

Before scheduling appointments for managed care patients, we must have authorizations that show coverage for both professional and facility services. If you are not contracted with UCLA, you will also need to call UCLA's Contracting Department, at (310) 794-0625, to set up OTAs.
