4.6      Provider Knew Medical History

4.8      Provider Showed Respect

4.8      Provider Spent Enough Time

### Reviews

---

Caring, listens to my concerns, LGBT friendly.  
Jul 6, 2018

---

Dr. Hinchcliffe is an amazing doctor and we highly recommend her, especially  
Jun 22, 2018 for LGBTQ+ patients.

---

Theyre very good and respectful  
Jun 22, 2018

---

Extremely nice and very understanding  
Jun 14, 2018

---

She rushes clients rather than listens to them.

May 18, 2018

---

□ □ □ □ □

I didnt wait long she was very friendly and listened to my concerns.

May 17, 2018

---

□

If you have to go to this physician plan on a very long wait time.

Allowed for better communication between the med student and the doctor. I had told the med student some concerns that I had, but then I had forgotten to mention them to the doctor because I had already stated them out loud once

The Doctor & Practice are fine. It would be nice if the hospital gave them more than 20 minutes per patient. Sometimes there is more to discuss than 20 minutes allow, and additional appointments may become overwhelming for some patients.
