General Health

- Well Women Exams
- Family Planning
- Contraception Counseling & IUD/Nexplanon Insertion

About Dr. Tocce

Dr. Kristina Tocce received her medical degree from Albert Einstein College of Medicine of Yeshiva University and completed her residency at Mount Sinai Hospital in New York City. She initially chose obstetrics and gynecology for her love of continuity of care and the mix of primary care with surgical treatments.

Dr. Tocce is board certified in obstetrics and gynecology and sub-specialty trained in family planning. She is able to treat patients that have general obstetric and gynecologic issues, provide patients with annual exams, contraception counseling and care during future pregnancies.

Dr. Tocce never assumes anything based on someone's report or referral, creating an environment where the patient is comfortable to discuss any topic that she needs help with.

Education

Medical School: Albert Einstein College of Medicine of Yeshiva University (2001)

Did you know?

Dr. Tocce has received numerous awards, and research support. She has also published her work in journals on obstetrics and gynecology as well as family planning. Dr. Tocce's research interests include adolescent contraception, family planning care and medical student education.
