

## Jessica W Kiley, MD

Chief of General Obstetrics and Gynecology in the Department of Obstetrics and Gynecology  
Associate Professor of Obstetrics and Gynecology (General Obstetrics and Gynecology)  
(<http://www.feinberg.northwestern.edu/sites/obgyn/divisions/general-obstetrics/index.html>)

### Bio

---

## Focus of Work

### Academic Focus

My work includes clinical practice in general obstetrics and gynecology and family planning, as well as academic activities, including medical education, research, and administration. My main research and clinical interests include long-acting reversible contraceptives, contraception in women with chronic medical problems, cervical cancer screening, and preconception health care.
