**STIPULATED SURRENDER OF  
LICENSE**

15  
16 IT IS HEREBY STIPULATED AND AGREED by and between the parties in this  
17 proceeding, that the following matters are true:

18 1. Kimberly Kirchmeyer (Complainant) is the Executive Director of the Medical  
19 Board of California. She brought this action solely in the official capacity, and is represented by  
20 Xavier Becerra, Attorney General of the State of California, by Jane Zack Simon, Supervising  
21 Deputy Attorney General.

22 2. Respondent Frank Rodriguez M.D. (Respondent) is represented in this proceeding  
23 by Keith W. Carlson of Carlson & Jayakumar LLP, 2424 S.E. Bristol Street, Suite 300, Newport  
24 Beach, CA 92660.

25 3. On April 17 1989, the Medical Board of California issued Physician's and  
26 Surgeon's Certificate No. G65514 to Respondent. At all relevant times, the certificate has been  
27 current and valid.

28 ///

1           4.       Respondent has received, read, discussed with counsel and understands the  
2 Accusation which is presently on file and pending in case number 800-2016-021041 (Accusation)  
3 a copy of which is attached as Exhibit A. Respondent also has carefully read, discussed with  
4 counsel and understands the effects of this Stipulated Surrender of License (Stipulation.)

5           5.       Respondent is fully aware of his legal rights in this matter, including the right to a  
6 hearing on the charges and allegations in the Accusation; the right to be represented by counsel, at  
7 his own expense; the right to confront and cross-examine the witnesses against him; the right to  
8 present evidence and to testify on his own behalf; the right to the issuance of subpoenas to compel  
9 the attendance of witnesses and the production of documents; the right to reconsideration and  
10 court review of an adverse decision; and all other rights accorded by the California  
11 Administrative Procedure Act and other applicable laws. Respondent voluntarily, knowingly, and  
12 intelligently waives and gives up each and every right set forth above.

13           6.       For the purpose of resolving the charges and allegations in the Accusation, without  
14 the expense and uncertainty of further proceedings, Respondent agrees that based on the action  
15 taken by the Florida Board of Medicine as alleged in the Accusation, cause exists to discipline his  
16 California physician's and surgeon's certificate. Respondent lives and practices in Florida and  
17 has no present plans to relocate to California; he wishes to surrender his California license at this  
18 time.

19           7.       Pursuant to section 2224(b) of the Business and Professions Code, this Stipulation  
20 for Surrender of License shall be subject to the approval of the Board. Respondent understands  
21 and agrees that the Medical Board's staff and counsel for Complainant may communicate directly  
22 with the Board regarding this Stipulation without notice to or participation by Respondent or his  
23 counsel. By signing this Stipulation, Respondent understands and agrees that he may not  
24 withdraw his agreement or seek to rescind the Stipulation prior to the time the Board considers  
25 and acts upon it. In the event that this Stipulation is rejected for any reason by the Board, it will  
26 be of no force or effect for either party. The Board will not be disqualified from further action in  
27 this matter by virtue of its consideration of this Stipulation.

28    ///

1 8. Upon acceptance of this Stipulation by the Board, Respondent understands that he  
2 will no longer be permitted to practice as a physician and surgeon in California, and also agrees to  
3 surrender and cause to be delivered to the Board any license and wallet certificate in his  
4 possession before the effective date of the decision.

5 9. The admissions made by Respondent herein are only for the purposes of this  
6 proceeding, or any other proceedings in which the Medical Board or other professional licensing  
7 agency is involved, and shall not be admissible in any other criminal or civil proceeding.

8 10. Respondent fully understands and agrees that if he ever files an application for  
9 relicensure or reinstatement in the State of California, the Board shall treat it as a petition for  
10 reinstatement, and Respondent must comply with all laws, regulations and procedures for  
11 reinstatement of a revoked license in effect at the time the petition is filed.

12 11. Respondent understands that he may not petition for reinstatement as a physician  
13 and surgeon for a period of three (3) years from the effective date of his surrender. Information  
14 gathered in connection with Accusation number 800-2016-021041 may be considered by the  
15 Board in determining whether or not to grant the petition for reinstatement. For the purposes of  
16 the reinstatement hearing, the allegations contained in Accusation number 800-2016-021041 shall  
17 be deemed to be admitted by Respondent, and Respondent waives any and all defenses based on a  
18 claim of laches or the statute of limitations.

19 12. The parties understand and agree that facsimile or electronic copies of this  
20 Stipulated Surrender of License, including facsimile or electronic signatures thereto, shall have  
21 the same force and effect as the originals.

22 **ACCEPTANCE**

23 I have carefully read the above Stipulated Surrender of License, and have discussed it with  
24 my attorney. I enter into it freely and voluntarily and with full knowledge of its force and effect  
25 do hereby surrender my Physician and Surgeon's Certificate Number G65514 to the Medical  
26 Board of California, for its formal acceptance. By signing this stipulation to surrender my  
27 license, I recognize that upon its formal acceptance by the Board, I will lose all rights and  
28 privileges to practice as a physician and surgeon in the State of California and I also will cause to

1 be delivered to the Board any license and wallet certificate in my possession before the effective

Case No. 800-2016-021041

**A C C U S A T I O N**

17 Complainant alleges:

18 **PARTIES**

19 1. Kimberly Kirchmeyer (Complainant) brings this Accusation solely in her official  
20 capacity as the Executive Director of the Medical Board of California, Department of Consumer  
21 Affairs.

22 2. On April 17, 1989, the Medical Board of California issued Physician's and Surgeon's  
23 Certificate Number G65514 to Frank Rodriguez, M.D. (Respondent.) The Physician's and  
24 Surgeon's certificate is renewed and current with an expiration date of November 30, 2016.

25 **JURISDICTION**

26 3. This Accusation is brought before the Medical Board of California (Board),  
27 Department of Consumer Affairs, under the authority of the following laws. All section  
28 references are to the Business and Professions Code unless otherwise indicated.

1           A.     Section 2227 of the Code provides in part that the Board may revoke,  
2 suspend for a period not to exceed one year, or place on probation, the license of any  
3 licensee who has been found guilty under the Medical Practice Act, and may recover the  
4 costs of probation monitoring.

5           B.     Section 2305 of the Code provides, in part, that the revocation, suspension,  
6 or other discipline, restriction or limitation imposed by another state upon a license to  
7 practice medicine issued by that state, that would have been grounds for discipline in  
8 California under the Medical Practice Act, constitutes grounds for discipline for  
9 unprofessional conduct.

10          C.     Section 141 of the Code provides:

11                   “(a) For any licensee holding a license issued by a board under the  
12 jurisdiction of a department, a disciplinary action taken by another state, by any  
13 agency of the federal government, or by another country for any act substantially  
14 related to the practice regulated by the California license, may be ground for  
15 disciplinary action by the respective state licensing board. A certified copy of the  
16 record of the disciplinary action taken against the licensee by another state, an  
17 agency of the federal government, or by another country shall be conclusive  
18 evidence of the events related therein.

19                   “(b) Nothing in this section shall preclude a board from applying a  
20 specific statutory provision in the licensing act administered by the board that  
21 provides for discipline based upon a disciplinary action taken against the licensee  
22 by another state, an agency of the federal government, or another country.

### 23                                   **FIRST CAUSE FOR DISCIPLINE**

24                                   (Discipline, Restriction, or Limitation Imposed by Another State)

25          4.     On March 10, 2016, the Florida Board of Medicine issued a Final Order regarding  
26 Respondent’s license to practice medicine in the State of Florida. The Final Order resolved a  
27 pending Administrative Complaint alleging that Respondent performed a pregnancy termination  
28 procedure, during which he inserted a cervical dilator into a patient’s uterine cavity, and/or  
released his hold of the cervical dilator while it was still inside the patient, and/or failed to  
remove the cervical dilator, and failed to create and/or keep an adequate surgical operative report  
of the procedure. Under the terms of the Final Order, Respondent’s Florida license was  
reprimanded. He was required to pay a fine of \$30,000 and costs of \$5,619.92; submit to a  
quality assurance review of his medical practice and comply with any recommendation made as a

1 result of the review; complete continuing medical education in "abortion procedures"; present a  
2 one hour lecture/seminar on retained foreign body object to a medical staff; complete a medical  
3 records course; enroll in and complete an evaluation and assessment, and Respondent cannot  
4 perform any surgical procedures until the evaluation and assessment has been completed. A copy  
5 of the Final Order and Administrative Complaint issued by the Florida Board of Medicine is  
6 attached as Exhibit A.

7 5. Respondent's conduct and the action of the Florida Board of Medicine as set forth in  
8 paragraph 4, above, constitute unprofessional conduct within the meaning of section 2305 and  
9 conduct subject to discipline within the meaning of section 141.

10 **PRAYER**

11 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,

4. On or about September 22, 2012, Patient S.H., a 31 year-old female, presented to Presidential Women's Center, located in West Palm Beach, Florida, to undergo a pregnancy termination ("procedure").

5. During the procedure, Respondent used a cervical dilator to dilate the cervix. Respondent then pushed the cervical dilator into S.H.'s uterine cavity. At some point, Respondent released his hold of the dilator.

6. Respondent failed to remove the cervical dilator used during the procedure from Patient S.H. prior to concluding the procedure.

7. Respondent failed to create and/or keep an adequate surgical operative report of the procedure.

**COUNT ONE**

8. Petitioner re-alleges and incorporates by reference paragraphs 1 through 7, as if fully set forth herein.

9. Section 456.072(1)(cc), Florida Statutes (2012), subjects a physician to discipline for leaving a foreign body in a patient, such as a sponge, clamp, forceps, surgical needle, or other paraphernalia commonly used in surgical, examination, or other diagnostic procedures. For the

purposes of this paragraph, it shall be legally presumed that retention of a foreign body is not in the best interest of the patient and is not within the standard of care of the profession, regardless of the intent of the professional.

10. Respondent failed to remove a cervical dilator used during the surgery from Patient S.H. prior to concluding the procedure.

11. Based on the foregoing, Respondent violated Section 456.072(1)(cc), Florida Statutes (2012).

**COUNT II**

12. Petitioner re-alleges and incorporates by reference paragraphs 1 through 7, as if fully set forth herein.

13. Section 458.331(1)(t), Florida Statutes (2012), subjects a physician to discipline for committing medical malpractice as defined in Section 456.50. Section 456.50(1)(g), Florida Statutes (2012), defines medical malpractice as the failure to practice medicine in accordance with the level of care, skill, and treatment recognized in general law related to health care licensure. Section 766.102, Florida Statutes (2012), provides that the prevailing standard of care for a given healthcare provider shall be that level of care, skill, and treatment which, in light of all relevant

surrounding circumstances, is recognized as acceptable and appropriate by reasonably prudent similar health care providers.

14. Respondent fell below the standard of care in the treatment of S.H. in one or more the following ways:

- a. By inserting the cervical dilator into S.H.'s uterine cavity; and/or
- b. By releasing his hold of the cervical dilator while it was still inside S.H.

15. Based on the foregoing, Respondent violated Section 458.331(1)(t), Florida Statutes (2012).

**COUNT III**

16. Petitioner re-alleges and incorporates by reference paragraphs 1 through 7, as if fully set forth herein.

17. Section 458.331(1)(m), Florida Statutes (2012), subjects a physician to discipline for failing to keep legible, as defined by department rule in consultation with the board, medical records that identify the licensed physician or the physician extender and supervising physician by name and professional title who is or are responsible for rendering, ordering, supervising, or billing for each diagnostic or treatment procedure and that justify the course of treatment of the patient, including, but not

limited to, patient histories; examination results; test results; records of drugs prescribed, dispensed, or administered; and reports of consultations and hospitalizations.

18. Respondent violated Section 458.331(1)(m), Florida Statutes (2012), by failing to create and/or keep an adequate surgical operative report of the September 22, 2012, procedure.

19. Based on the foregoing, Respondent violated Section 458.331(1)(m), Florida Statutes (2012).

WHEREFORE, the Petitioner respectfully requests that the Board of Medicine enter an order imposing one or more of the following penalties: permanent revocation or suspension of Respondent's license, restriction of practice, imposition of an administrative fine, issuance of a reprimand, placement of the Respondent on probation, corrective action, refund of fees billed or collected, remedial education and/or any other relief that the Board deems appropriate.
