of medicine since 1927. Our office is in the Duchossois Center for Advanced Medicine (DCAM), a state-of-the-art outpatient care facility located at the corner of Maryland Avenue and 58th Street in the Hyde Park neighborhood of Chicago.

## Our Services

Our staff and physicians have extensive training and access to the latest research and technology. We are here to treat all women with the highest quality of care.

We offer:

- Medical abortion
- Office- and hospital- based surgical abortion in the first and second trimesters of pregnancy
- Abortion services for women with pregnancies complicated by medical conditions and fetal abnormalities
- Medical and surgical management of miscarriage
- Pre- and post-procedure counseling and follow-up
- Contraceptive counseling and services, including:
  - Contraception for medically complicated patients
  - Insertion of IUDs and Implanon®
  - Surgical and nonsurgical sterilization

[Learn more on our Patient Information page.](#)

## Costs

Our services are covered by most insurance policies, and we offer affordable rates for those without insurance. Financial assistance is available.
