STIPULATION

The parties stipulate as follows:

1.   The facts alleged in the complaint are true and constitute a violation of the Public Health Code.

2.   Respondent understands and intends that, by signing this stipulation, he is waiving the right under the Public Health Code, rules promulgated thereunder, and the Administrative Procedures Act of 1969, MCL 24.201 *et seq.*, to require the Department to prove the charges set forth in the complaint by presentation of evidence and legal authority, and to present a defense to the charges before the Disciplinary Subcommittee or its authorized representative. 2

Disciplinary Subcommittee reject the proposed consent order, the parties reserve the right to proceed to hearing.

3. The Disciplinary Subcommittee may enter the above Consent Order, supported by Board conferee Richard D. Bates, M.D. Dr. Bates or an attorney from the Licensing and Regulation Division may discuss this matter with the Disciplinary Subcommittee in order to recommend acceptance of this resolution.

4. Dr. Bates and the parties considered the following factors in reaching this agreement:
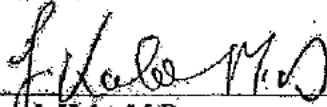

A. Following the issuance of the administrative complaint, Respondent provided a page from the patient's medical record that included the missing documentation. The page and information it contained was consistent with records Respondent previously provided from other patients' files. Based on discussions during a compliance conference between the parties, it appeared the page was omitted from the records originally provided to the Bureau in oversight, likely as the result of a copying error.

By signing this stipulation, the parties confirm that they have read, understand, and agree with the terms of the consent order.
