Welcome! I am a generalist Ob/Gyn with special training in family planning.

Biography

I am originally from Massachusetts, but fell in love with San Diego during residency training. My husband and I motivate each other to stay active and healthy as much as possible!

About my practice

I am excited to be a part of the thriving Kaiser Permanente Ob/Gyn community in San Diego. I am passionate about providing comprehensive care to all women and advocating for reproductive choices. I am a generalist Ob/Gyn committed to providing an entire array of services. I specialize in family planning and contraception (especially for women with high-risk medical issues). I am committed to making experiences as comfortable as possible for women.

How I thrive

I thrive by running half marathons, doing yoga, and going indoor climbing!
