Application For
Appointment of Counsel

To: U.S. District Court for the District of Montana

I Rashad Collins, 2340 Mullan Road, Missoula
Montana respectfully ask that the court grants
my application for appointment of counsel.
I feel that I need a lawyer in this case
because (1) I don't know law well (2) my case
is very complicated and (3) I'm not able to
access certain documents for my case that
legal counsel can access due to my placement.

I have sent the ACLU a letter informing their office of my case, challenges, and requested their help; however I haven't received any information back from their office at this current moment.

I declare under penalties of perjury that my answers to the foregoing questions are true to the best of my knowledge.

I understand that if I am assigned a lawyer, and my lawyer learns, either from request or elsewhere that I can afford a lawyer, the lawyer may give this information to the court.

I understand that if my answers on my application to Proceed in Forma Pauperis (or Affidavit in Support of Application for Appointment of Counsel) are false my case can be dismissed.
