Health Survey Comments

There were no deficiencies cited at the time of the onsite Change of Location State Licensing survey conducted on 6/29/17, with additional documentation provided on 7/3/17 for Event #G74711. Based on the rules found at R9-10-General, R9-10-Outpatient Treatment Centers, and R9-10-15-Abortion Clinic the Department is approving the facility to continue operations as an Outpatient Treatment Center providing Reproductive Health Services which includes the following scope of services: Medication Services, Clinical Laboratory Services, Diagnostic Imaging Services, Physical Health Services, and Abortion Services (medical and surgical).
