Doctor Profile

Basics

Full Name	Susan L Pflieger
Gender	Female
PECOS ID	5991713679
Sole Proprietor	No - She does not own an unincorporated business by herself.
Accepts Medicare Assignment ⓘ (/physician/help.html#explain)	She does accept the payment amount Medicare approves and not to bill you for more than the Medicare deductible and coinsurance.

Medical Specialties

- **Obstetrics/Gynecology** (primary specialty)

Experience

- Over 38 years of diverse experience

Credentials

- Medical Doctor (MD) ⓘ

Education and Training

- Dr. Susan L Pflieger attended and graduated from Vanderbilt University School Of Medicine in 1981.

NPPES Info

- NPI #: 1407963804
- NPI Enumeration Date: Wednesday, August 23, 2006
- NPPES Last Update: Monday, July 9, 2007

Quality Reporting ⓘ (/physician/help.html#explain)

- **eRx** - She does not participate in the Medicare Electronic Prescribing (eRx) Incentive Program.
- **PQRS** - She does not report Quality Measures (PQRS). The Physician Quality Reporting System (PQRS) is a Medicare program encouraging health care professionals and group practices to report information on their quality of care. Quality measures can show how well a health care professional provides care to people with Medicare.
- **EHR** - She does not use electronic health records (EHR). The Electronic Health Records (EHR) Incentive Program encourages health care professionals to use certified EHR technology in ways that may improve health care. Electronic health records are important because they may improve a health care professional's ability to make well-informed treatment decisions.
- **MHI** - She does not commit to heart health through the Million Hearts initiative. Million Hearts is a national initiative that encourages health care professionals to report and perform well on activities related to heart health in an effort to prevent heart attacks and strokes.
- **MOC** - She does not participate in the Medicare Maintenance of Certification Program. A "Maintenance of Certification Program" encourages board certified physicians to continue learning and self-evaluating throughout their medical career.

Clinical Social Worker

SUBLOCADE™ (buprenorphine extended-release) injection, for subcutaneous use (CIII) is a prescription medicine used to treat adults with moderate to severe addiction (dependence) to opioid drugs (prescription or illegal) who have received an oral transmucosal (used under the tongue or inside the cheek) buprenorphine-containing medicine at a dose that controls withdrawal symptoms for at least 7 days. SUBLOCADE is part of a complete treatment plan that should include

SAFETY INFORMATION AND INDICATION

What is the most important information I should know about SUBLOCADE?

Because of the serious risk of potential harm or death from self-injecting SUBLOCADE into a vein (intravenously), it is only available through a restricted program called the SUBLOCADE REMS Program.

- SUBLOCADE is not available in retail pharmacies.
- Your SUBLOCADE injection will only be given to you by a certified healthcare provider.

In an emergency, you or your Full Prescribing Information, including **BOXED WARNING**, and Medication Guide
