Mediation Status conference  
Wednesday, February 14, 2017 at 10:00 AM

Dear Judge Papalia:

At the instructions of Chambers and with the consent of my adversary in the adversary matter, this letter is being submitted in lieu of an appearance at the mediation status conference scheduled this morning.

A mediation session was scheduled for December 19, 2016. As a result thereof and the discussions among counsel thereafter, a proposed stipulation of settlement has been prepared and circulated yesterday, February 13, 2017 for review and approval of counsel.

It is hopeful this will resolve the matter.

Respectfully submitted,

JOHN F. MURANO
