Dear Jody,

I must have ticked "yes" in error...I have not had any limitations on my DEA since I last renewed.
What must I do to clear that error.

Thanks

Sierra Washington

Dear Dr. Washington:

Thank you for renewing your Indiana license on line. As you may be aware you answered yes to one or more of the questions asked during the on line renewal process. Please be advised that you were instructed to send details of action taken. At this time we have not received your response. Your renewal **will not** be processed further until we receive this detailed information. You may email, fax or mail your detailed information to:

Professional Licensing Agency - Medical
402 West Washington Street, Room 072
Indianapolis IN 46204
(317) 233-4236 fax
Pla3@pla.IN.gov email

Failure to provide this detailed information will result in your request to personally appear before the board to explain your positive response. Failure to personally appear, if requested, will result in your renewal being denied. For your convenience, you answered, "yes" to the following question(s): **"Since you last renewed, have you surrendered your DEA registration at any time or had any limitations or discipline placed on your DEA registration?"**.

According to Indiana Code 25-1-5-4: "The agency may delay issuing a license renewal for up to ninety (90) days after the renewal date for the purpose of permitting the board to investigate information received by the agency that the applicant for renewal may have committed an act for which the applicant may be disciplined." **Your license does remain valid during the ninety (90) days following the expiration date, unless your renewal is denied following a personal appearance before the Board.**

We look forward to receiving the required information from you soon to ensure timely processing of your renewal. If you have any questions please feel free to contact us at (317) 234-2060 or via e-mail at pla3@pla.IN.gov <<mailto:hpb@hpb.IN.gov>>
