## South Valley Medical/Dental Center

Our Patient-Centered Healthcare Home makes you feel welcomed and cared for by a team that:

- Knows your health history and goals
- Communicates effectively with you and with each other
- Gives you appointments when you need them
- Coordinates the complexity of labs, prescriptions, referrals and insurance

We go the extra mile to help our patients get help paying for their health care.

- We assist with Medicaid applications
- We help patients find insurance on the Marketplace
- We enroll patients in special programs when they are eligible
- We provide a discount for services based on family size and income
