

Family Planning Services

Family planning specialists at Rush understand that sometimes matters of [pregnancy \(/services/pregnancy-services\)](#) can be quite complicated. Like many women, you may make different reproductive choices throughout your life. Experienced clinicians at Rush provide you with safe, confidential, comprehensive contraceptive services, miscarriage care and abortion services.

Family planning services at Rush include the following:

- Contraceptive counseling and services
 - Birth control options - even if you have a complex medical history, including [diabetes \(/services/conditions/diabetes\)](#), [epilepsy \(/services/conditions/epilepsy\)](#), [organ transplant \(/services/transplant-programs\)](#) and [bariatric surgery \(/services/test-treatment/bariatric-surgery\)](#).
 - Insertion of long-acting reversible contraception, such as intrauterine devices (IUD)
 - Surgical sterilization
 - Emergency contraception
- Medical and surgical abortion in the first and second trimesters of pregnancy
- Abortion for women with pregnancies complicated by medical conditions and/or fetal abnormalities
- Medical and surgical management of [miscarriage \(/services/conditions/miscarriage\)](#)
- Compassionate, supportive counseling before and after procedures
