

Dalia Brahmi, MD, MPH

ADJUNCT ASSISTANT PROFESSOR
DEPARTMENT OF MATERNAL AND CHILD HEALTH

E :
daliabrahmi@gmail.com
/
brahmi@email.unc.edu

Dr. Brahmi is a family physician and global reproductive health specialist. At the World Health Organization, she reviewed scientific evidence on abortion and contraception that contributed to the CDC's Medical Eligibility Criteria for Contraceptive Use and the WHO's Safe Abortion Guidance. Dr. Brahmi has experience incorporating comprehensive reproductive health services into primary health clinics, and has trained clinicians in Latin America, Africa, Eastern Europe, the Middle East and Asia. As the associate medical

CONTACT INFO

with NGOs providing technical assistance in reproductive health and trains residents and students locally at Planned Parenthood South Atlantic. Dr. Brahmi is active in advocacy and education efforts with Physicians for Reproductive Health, Reproductive Health Access Project and the N.C. Academy of Family Physicians. She currently sees adolescents and adults as a Family Medicine and Sexual and Reproductive Health specialist at Mosaic Comprehensive Care in Chapel Hill, N.C.
