## Facility/Provider Information

[Search Again](#)[Board of Pharmacy Home](#) | [License Verification](#) | [Exam Scores](#)

The Kansas Board of Pharmacy certifies that it maintains the information for the credential verification function of this website, as well as performing hourly updates to the information represented. Therefore, the website is a secure and primary source of credential verification information, as authentic as a direct inquiry to the Board. Note Pharmacy Technicians issued after January 1, 2019 will now have a 24- prefix for their registration number until they provide proof of passage of the PTCB or ExCPT certification examination.
