Luke Wenzel, DO

HOIV

Undergrad: Winona State University, Winona, MN

Medical School: Des Moines University

Why I'm happy I chose UNMC: UNMC is the perfect mix between an academic and a community program. It has the rigor of an academic program, mixed with all the hands on experience of a small community program. Also the faculty and residents care about creating a supportive learning environment for everyone. Plus outside of work Omaha is a fun and affordable city!
