Clinicians

Interim Medical Director, **Terry Grebe MD**, is a licensed, board certified OB/GYN with over 30 years of direct patient care experience. He is committed to supporting everyone's rights to high quality health care and reproductive freedom.

Director of Midwifery Care, **Nikia Grayson, CNM, DNP, MPH**, Certified Nurse Midwife and Advanced Nurse Practitioner is a public health activist, anthropologist and nurse midwife who has devoted her life to serving and empowering people in underserved and marginalized communities. She has more than 10 years experience working in public health, with her more recent work focusing on reproductive rights, birth justice, and midwifery. She is passionate about ensuring all persons have the rights and means to make decisions regarding their sexual and reproductive health.
