Subject: RE: Your Pending IPRA request

Dear Sir,

Please note that we are able to provide you with amended redactions on the documents, previously provided, that include the email address, and the year of birth for Dr. Lyons. If you wish for the documents with such amended redactions please let me know.

However, please be advised that we will continue to withhold Dr. Lyon's personal address, DEA #, and personal phone number pursuant to section 14-2-1(A)(8) of the New Mexico Inspection of Public Records Act and recent interpretation of the Act in Cox v. Dept. of Public Safety, 148 N.M. 934, 941, 242 P.3d 501 (Ct. App. 2010). Please note that with respect to the "Controlled Substance Renewal Application" signed by Dr. Lyons on 2/6/18, Dr. Lyons listed his personal address as his work address. We base this knowledge on our records which indicate that Dr. Lyon's work address is as follows: [Raymond Murphy VA Medical Center, 1501 San Pedro SE, Albuquerque New Mexico 87108.](#)

I trust that this information will satisfy the concerns in your follow-up email dated October 21, 2019.

Sincerely,
