Fellowship

Johns Hopkins University - Family Planning

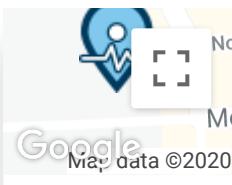

Board Certified

- Obstetrics
- Gynecology

Roxanne Jamshidi, M.D., MPH, is board-certified in Obstetrics & Gynecology. She is an Associate Professor of Obstetrics & Gynecology at the George Washington University School of Medicine & Health Sciences and the Director of the Division of General Obstetrics & Gynecology. She completed her medical degree from Vanderbilt University in Nashville Tennessee, followed by her residency in obstetrics & gynecology from Women and Infants Hospital at the Brown University School of Medicine in Providence Rhode Island. Dr. Jamshidi went on to complete a masters in public health from Johns Hopkins University Bloomberg School of Public Health while completing a fellowship in Family Planning from the Johns Hopkins University as well.

Dr. Jamshidi is dedicated to providing thorough and personal care for her patients. She provides guidance and encourages active patient participation in treatment decisions. She has received advanced training in family planning and maintains a general OB/GYN practice. In addition to her busy clinical practice, Dr. Jamshidi is committed to furthering the knowledge and understanding of family planning through education and research. She oversees and supports clinical research related to family planning and contraception.
