About this Abortion Doctor:

Plaintiff sued Dr. Ronald Blatt, Dr. Gary Mucciolo, certified nurse anesthetist Alexandra Rozhitsky, and East Side Gynecology Services P.C., charging that during her abortion on September 6, 2008, the abortion facility administered Diprivan general anesthesia despite her warnings that she was allergic to it. As a result, Plaintiff experienced 'pain, suffering, and apprehension of possible death.'

This lawsuit was filed in 2011 and may still be ongoing. Please contact us if you have any information about the resolution of this case.
