About

I'm donating my birthday to Planned Parenthood Keystone again this year and your contribution will make a huge impact, whether you donate \$5 or \$500. Please help support access to healthcare, comprehensive sex education and reproductive freedom in these trying times. Every little bit helps. Thank you for your support. I've included information about Planned Parenthood Keystone below.

At Planned Parenthood Keystone our mission is to provide and promote access to the essential health care services and comprehensive sexuality education people need to live healthy lives and build strong communities. Planned Parenthood is unique in its expertise regarding reproductive and sexual health care, education, and advocacy. Since the Planned Parenthood movement reached Pennsylvania's Luzerne County in 1926, our medical centers have continued to evolve into the affiliate we are today. PPKeystone now provides services to 43% of Pennsylvania residents across 37 counties. Through 9 medical centers, we are able to provide services to over 22,000 patients each year.m

Diane Brooks Ring Thanks Alison. I don't want FB to have my credit card info but will make a donation directly today! Hope you have a lovely birthday, and the best year yet to come.
