Comprehensive OB/GYN Care Relocating to Robbinsville This Spring

MAY 8, 2014

Comprehensive OB/GYN Care, part of the Princeton Medicine physician group, will move from its Lawrenceville location to a larger, more modern office in Robbinsville later this spring.

Scheduled to open in mid-June, the new office will be at 1 Union Street, Suite 106, Robbinsville. The phone number will remain the same: 609-252-8756.

The new space is designed to provide patients with greater comfort and access to state-of-the-art technology to serve them better.

Comprehensive OB/GYN Care offers a full range of obstetric and gynecologic care for patients from adolescence through menopause and beyond, such as preconception evaluation and planning; infertility evaluation; management of healthy and high-risk pregnancies; no-incision fibroid removal; and menopause management, including hormone replacement therapy.

Patients also have access to the latest minimally invasive surgical treatments.

An open house offering a behind-the-scenes look at the new office and featuring refreshments, music and giveaways is scheduled for Wednesday, June 18, from 10 a.m. to 1 p.m. and from 5 to 7 p.m.

Comprehensive OB/GYN Care features four board certified obstetrician-gynecologists:

Samih A. Ibrahim, MD, FACOG

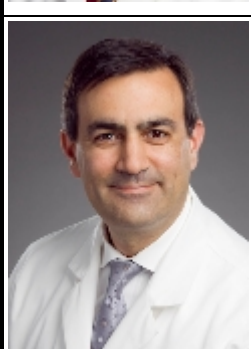

Christopher A. Naraine, MD, FACOG

Michael B. Resnick, MD, FACOG

Antonio V. Sison, MD, FACOG

All four are members of the Princeton HealthCare System (PHCS) Medical Staff and are affiliated with PHCS' acute care hospital, University Medical Center of Princeton.

About Our Physicians

	<p>Samih A. Ibrahim, MD, FACOG, began his clinical practice in 1997. A graduate of New York University, Dr. Ibrahim earned his medical degree from Hahnemann University School of Medicine, now part of Drexel University College of Medicine in Philadelphia. He completed an internship at Mount Sinai Hospital in Hartford, Conn., and his residency in obstetrics and gynecology at Hartford Hospital in Hartford, Conn. Dr. Ibrahim is a Fellow of the American Congress of Obstetricians and Gynecologists.</p>
