SUBJECT: State Licensure Survey Findings for Above-Referenced Agency

Dear Ms. Miller:

A state licensure survey was conducted on December 3, 2019 at Scotsdale Women's Center located at 19305 W. 7 Mile Road, Detroit, MI 48219.

Participants included:

- Shelly Miller, Executive Administrator, Scotsdale Women's Center
- Robert Egan MD, Scotsdale Women's Center
- Pam Lindsey RN, State Health Care Surveyor, MDLARA

Findings included failure of the facility to conduct quarterly fire drills, R325.3825. Within three business days following the survey the facility provided evidence of having conducted a fire drill with all center staff.

After receipt of the completed documents, it was determined that the facility is in compliance with MCL333.20801 through 333.20821 and/or the Michigan Administrative Rules for freestanding surgical outpatient facilities R325.3801 through R325.3877.

A handwritten signature in cursive script that reads "Pam Lindsey".
