

Planned Parenthood Southwest Ohio Region

Diamond Award Gala

Date: Saturday, November 1, 2014
Time: 5:30 PM - 10:00 PM
Location: Hilton Cincinnati Netherland Plaza

It takes the whole community to ensure that women can continue to make their own reproductive health decisions and safely access that care. Dr. David B. Schwartz, OB/GYN, is a vital member of that community. While maintaining a thriving private medical practice, Dr. Schwartz chairs Planned Parenthood Southwest Ohio's Medical Committee, consults on patient matters and is a very vocal and influential advocate for the important services that Planned Parenthood provides locally.

Planned Parenthood Southwest Ohio (PPSWO) is so pleased that David has agreed to let us publicly recognize his many contributions with our highest honor — the **DIAMOND AWARD**.

Our 11th annual Diamond Award Gala will be held on **November 1, 2014**, at the **Hilton Cincinnati Netherland Plaza**. Please mark your calendar now so that you will be free to attend this wonderful, affirming evening. And, make a commitment right now to lend your name and financial support as a sponsor. Even if you do not know David personally, we hope you will want to show your appreciation for his longstanding commitment to PPSWO by signing on early as a generous event sponsor.

For 85 years, PPSWO has been the most significant provider of reproductive health care, education and advocacy in Greater Cincinnati, Greater Miami Valley and Northern Kentucky, providing a multitude of reproductive health services to 25,000 women, men and teens annually and reaching 11,000 more through our community education services. All proceeds from the Diamond Gala will benefit our eight health centers and contribute to the overall health of our community.

We're sorry, the deadline for buying tickets for this event has passed.
