Professional Statement

Dr. Schneider completed her fellowship in Family Planning at the University of New Mexico in 2015. She completed residency at the University of Colorado School of Medicine in 2013, where she also graduated from medical school along with Dr. Patterson. She attended the University of Colorado

at Boulder as an undergraduate with a B.S. in Chemical Engineering. She is from Lakewood, CO.

Outside of work, she enjoys spending time with her family and dogs. Her favorite activities include cycling, paddle boarding, skiing, golf and cheering on the Denver Broncos.

She is very straight forward, I felt like all my questions were answered. She made great recommendations, and I instantly felt comfortable with her. I was really apprehensive, since I've only seen one other OBGYN for 10 years.

Emily is awesome and truly listens and cares about concerns you may have. Definitely best OBGYN I've ever had just from the first visit.

She was very intelligent and caring, was there to listen to all my concerns and very reassuring and had information and facts to back up what she was talking about! I am so excited I finally have found a good doctor that knows what she's talking about and will refer all my friends!

I loved the way she listened and gave me her professional advice. She also asked detailed questions and made sure to eliminate all other possibilities as to what could be causing my concern.
