About Us

Medical Excellence, Confidentiality, State of the Art Women's Health Care Provided in a Safe and Secure Setting

Little Rock Family Planning Services is a modern, free standing, out-patient surgical center. We provide abortion care to a wide geographical area. Currently, we are the only licensed surgical abortion clinic in the state of Arkansas.

We have a team of very experienced physicians that are all medical doctors, and are all licensed by the state of Arkansas. Tom Tvedten, MD, our Medical Director has been providing abortion care in Arkansas for over 25 years.

Our clinic has a well-deserved reputation for quality patient care and surgical excellence. We are inspected annually by the Arkansas Department of Health, and we meet or exceed all standards set by the state. We are a member of the [National Abortion Federation \(NAF\)](#) — an organization that sets national standards for abortion care.

Our clinical staff model utilizes a team approach to provide the best possible care for each patient, enhanced by an attitude of warmth, respect, and complete confidentiality.
