Primary Care Physicians

(Scroll down for Behavioral Health Providers)

	<p>Montida Fleming, MD</p>	<p>Dr. Mai Fleming joined UHS in 2020 as a physician in Primary Care. She received her MD from Sydney Kimmel Medical College at Thomas Jefferson University and completed her Family and Community Medicine residency at UCSF. In addition to working at UHS, Dr. Fleming is part-time faculty at the UCSF Family and Community Medicine residency program at SFGH (both in the hospital and primary care clinic). She also practices in the addiction medicine clinic. Dr. Fleming helps coordinate reproductive health training for Bay Area family medicine residents and travels to low-resource areas to provide reproductive health care. She also volunteers at a clinic focused on care for sex workers. Dr. Fleming has a special clinical interest in reproductive health care and family planning, addiction medicine, homelessness, and care across the gender spectrum.</p> <p>Dr. Fleming is certified by the American Board of Family Medicine.</p>
	<p>Leslie Gee, MD</p>	<p>Dr. Leslie Gee joined UHS in 2014 as a physician in Primary Care. She received her MD from the University of Chicago (2005) and completed her Pediatric residency at UCSF Benioff Children's Hospital Oakland (2008) followed by a fellowship in Adolescent Medicine at the Stanford University School of Medicine (2011). Before joining UHS, Dr. Gee worked in Adolescent Medicine at UCSF Benioff Children's Hospital Oakland and Lucile Packard Children's Hospital Stanford. She has a special clinical interest in eating disorders and adolescent medicine.</p> <p>Dr. Gee is board-certified in Adolescent Medicine and Pediatrics.</p>
	<p>Michael Goertz, MD, MPH, FACOEM Occupational Health Clinic</p>	<p>Dr. Michael Goertz joined UHS in 2019 as an Occupational Health Physician. He received his MD and MPH from the University of Minnesota and has a special clinical interest in disability prevention and management. Dr. Goertz has published papers on risk factors for poor outcomes in low back pain and is a member of the ACOEM and ICSI Low Back Pain Guideline Committees.</p> <p>Dr. Goertz is certified by the American Board of Preventive (Occupational and Environmental) Medicine.</p>
