- **Anti-Choice Indiana Legislators Vote Against Protections for Pregnant Workers**
Indiana Republicans, many of whom previously supported legislation to limit or ban abortion, voted this week to gut a bill that would protect and accommodate working pregnant women. The Little Timmy Project, an organization started by a mother whose child died of sudden infant death syndrome (SIDS), led support for the bill. Several nonprofits said [...]
- **Indiana Legislators Propose Making Abortion Murder, Arresting Judges Who Strike Down Law**
New legislation introduced this week in Indiana would make abortion murder, declare fertilized eggs human lives, and potentially make every miscarriage and every period suspect. In 2015, Indiana enacted legislation to ban abortion, require the burial of fetuses, and declare a fertilized egg a human life. The law was so vague and so restrictive that [...]
