

Abortion

Medical and surgical termination of pregnancy

We care for people experiencing pregnancy loss as well as medical and surgical termination of pregnancy for all reasons, including fetal anomaly (abnormality) and maternal health conditions. You will be seen in a private and specialized outpatient setting. We will provide detailed counseling about pregnancy options and available procedures. We offer a full range of [birth control services \(/womens-health/contraception\)](#). If you have an emergency, you can reach us 24 hours a day. Our health care team is compassionate and sensitive to your individual needs.

To make an appointment for these services, please speak with a scheduling specialist at 503-418-4500 📞. Your privacy, comfort and convenience are a priority.
