

DR.
JESSICA
RUBINO
MD

Dr. Jessica Rubino is a Board-Certified Family Medicine physician, specializing in abortion. To being a physician, she's also a wife, dog-mom and fierce advocate for reproductive freedom when and where it works for them. She loves being more available than a typical in-office

"Providing contraception, HIV prevention, STI testing and control over one's sexual health. We work well together even in the setting of telemedicine and have learned"

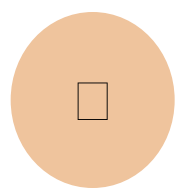

Clinical Focus
Women's Health

LOVE IT!

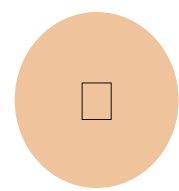

Very simple and direct. They make sure everything is OK with your health

Pauline

***** 02/26/20

AWESOME SERVICE

my experience was quick, easy and a prescription in a great manner and I would great! would
