Dr. Treasure Walker is an abortion provider in New York — she’s also eight months pregnant.

“I’m very lucky to be able to do this at a time that I want to, recognizing that some of my patients don’t have that option,” she stated, “It’s very much affirmed by belief in being able to choose what you want to do with your reproductive life for yourself because pregnancy is not easy and I wouldn’t wish it on anyone who didn’t want to be.”
