Good morning,

I believe I left a message already (not sure so just in case) to change the FO during this process you will just need to send in the pages of application and addendum that list the financial officer. Also make sure they are in the clearing house and added to the roster.

Good morning Ms. Burke,

I hope this email finds you well. Thank you again for helping us gain access to the AHCA Clearinghouse program so we are able to access our employee roster to make the necessary changes outlined in the omission letter received on 5/31/18. We are working on completing the points outlined on the omission letter and had a question in regards to one of them.

We are considering changing our financial officer from the person on the initial application to someone else. Would this require us to submit a whole new application or would the change made on the Clearinghouse employee roster be adequate for us to continue with the application process? I have also left you two voice messages regarding the same.

Please feel free to contact me via email or phone at 609-922-7960.

Thank you again for all your help.

Sincerely,

Suravi S.  
Operations Manager  
American Family Planning.
