Sandra Milton, Abortion Death

She bled to death in front of her children two weeks before Mother's Day

Dateline: 5/14/01

On April 27, 1990, 23-year-old Sandra Milton underwent an abortion, performed by Dr. Carl Armstrong at Toledo Medical Services in Ohio. (Armstrong is John Roe 67 in *Lime 5*.)

Sandra's abortion was performed at 10 a.m., and she was discharged shortly thereafter for the 90-minute drive home.

The babysitter stayed with Sandra and her three children for three hours as the young mother slipped in and out of consciousness and suffered pain and abdominal swelling. Twice the alarmed babysitter called the clinic, but was told that the symptoms were normal. The third time the babysitter called the clinic, she got no response at all, and summoned an ambulance.

Sandra was pronounced dead on arrival at the hospital.
