Dear Legal Dept.,

The State of Michigan receives a Grant Contract Between the Michigan Department of Health and Human Services and Planned Parenthood in Michigan. Planned Parenthood (PP) is a recipient of this grant.

According to the PP website:

<https://www.plannedparenthood.org/health-center/michigan/ann-arbor/48104/ann-arbor-east-health-center-3296-90630/abortion>

"Abortion pill (medication abortion) is offered up to 11 WEEKS and 0 days after the start of your last menstrual period. If your last period was more than 11 weeks and 0 days ago, read about our in-clinic abortion services below. According to the State of Michigan website Medical Abortions (aka abortion pills) are ten weeks or less:

https://www.michigan.gov/mdhhs/0,5885,7-339-73971_4909_6437_19077-46287--,00.html

"Medical Abortion

Two drugs are used to end an early pregnancy. Early pregnancy means a pregnancy that is TEN WEEKS (70 days).."

Grant contract recipient Planned Parenthood has been violating their Grant Contract Agreement with the State of Michigan for quite a while now. Please pull the grant from them and give the monies to another organization that will not give the State of Michigan a black eye.

This calls for immediate action. All grant monies should be returned as soon as possible.

Thank you very much.
