## CPP Providers - Piedmont Region

The list below is for informational purposes only. It is NOT an exhaustive list of all in-network providers. It only includes providers that agreed to transparent pricing with the Plan under the Clear Pricing Project. To view all in-network providers, visit the [Find a Doctor Tool](#). If you need to select or update your Primary Care Provider, you will need to log into [eBenefits](#).

The list includes CPP Provider data as provided by Blue Cross NC as of October 23, 2019. This data is not static and is subject to ongoing changes.

This is a large list and may take a few seconds to load. Please be patient.

To search for a provider, type in the search box below, and the table will automatically filter your results. You can search for results based on one or multiple columns (for example, you can search for "Dermatology" or "Dermatology Charlotte"). Alternatively, you can sort the table alphabetically by clicking on the column header of your choice.

Reminder: The Clear Pricing Project does not apply to members of UnitedHealthcare Medicare Advantage plans.
