

# TEMPORARY VISITOR RESTRICTIONS

To protect the health and wellbeing of our community, **effective Monday, March 23, no visitors will be permitted at WakeMed facilities until further notice.** Exceptions will be made in very limited circumstances. Visit our COVID-19 information page to see additional details about our current visitor restrictions, and to review the list of symptoms and care options available. If you think you may have been exposed to COVID-19, or are experiencing fever, cold or flu-like symptoms, please call your doctor before leaving home. Thank you for your understanding and cooperation.
