Darren,

Dr. Cataldo was on the September 26th board meeting for retiring and I guess he's changed his mind after I sent him the email Friday. Do you want me to make him active again and state retired in error?

Donna

Hello, I just tried to renew my medical license online and was unable to do so. Please help me as soon as possible, as I am looking to set up some locums work in early November, and will have to do that early this coming week.

Thanks, Nick Cataldo

Hello Ms. Moran,

There may have been a misunderstanding ... I was making inquiry, not making a request to place my license in retirement. I have not yet made the final decision.

Please review the attached email, which contains only an inquiry about procedure and possibility, not a firm decision.

Please release any block on my fully renewing my license online at least for the next 2 weeks.

Thank you for your understanding--

Nick Cataldo
