Hello,

Please advise me on proper procedure, as I no longer do any clinical work in the state of Indiana and do not anticipate doing so in the future. Is there a "retired" status I could use? -- I'm 65 years old. I don't see the need to maintain an Inactive Indiana medical license if I'll not need to reactivate it.

Thanks

Nicholas Cataldo MD, MPH

01072847A

- Login or create your login credentials using the Register a Person option on the [MyLicense](#) webpage.
- You must renew your physician license before renewing any CSR. Failure to do so will delay renewal. You will answer questions for both the physician license and CSR as well as make separate payment transactions. Please review all questions carefully as they may have changed since the previous renewal.
- The renewal fee is \$200 for an active physician license, \$100 for an inactive physician license, and \$60 for each CSR renewed. Additional online processing fees apply.
- Effective July 1, 2019 individuals renewing a controlled substance registration are required to have completed two hours of continuing education in opioid prescribing and abuse.
- Acceptance by the system of your renewal fee does not guarantee renewal. Please check your license status approximately 24 hours after completing this process to verify renewal with an updated expiration date.
- Please make sure your email address and phone number are up-to-date before submitting the renewal. CSR address changes must be submitted by email at least 24 hours prior to renewing online.
- License cards may be purchased or printed for free [online](#) after your renewal has been processed. Please ensure your license has been updated before ordering a card by using the [Search and Verify](#) page.
- Paper renewals may be printed from the [Medical Licensing Board of Indiana webpage](#) and must be mailed to the Board. Please allow 4 weeks for processing of paper renewals.
- If you apply for renewal of your license or registration after October 31, 2019, 11:59 p.m. EST, you will be assessed a \$50.00 late fee for each expired renewal, in addition to the standard renewal fee and online processing fees.
