#### ***Pelvic Pain Research Studies***

On March 14<sup>th</sup>, Dr. Frank Tu discussed "Pelvic Pain" at the 1179<sup>th</sup> meeting of the Chicago Gynecology Society. It was a salient discussion of this complex condition, which was followed by a robust answer and question period.

Currently Dr. Tu is involved in 2 investigations that may help us better diagnose and treat pelvic pain.

#### ***City-Dwelling Women Face Diet and Exercise Challenges***

Ob-gyns need to appreciate the unique challenges facing their overweight and obese urban patients when it comes to counseling them about diet and exercise, according to The American College of Obstetricians and Gynecologists. In new recommendations issued today, Ob-gyns need to appreciate the unique challenges ***Read more...***
