Dr. April Lockley
@ReproHealthDoc

Sometimes I provide blood pressure meds, 20 min later I provide abortion care. All in a days work of providing healthcare & being a comprehensive family med doc.

Michael, BSN, RN, PA-S @michael_RNtoPA · Dec 9, 2019
What's one thing you wish others knew about your specialty that you think would be obvious, but it never seems to stick?
