FAVORITE QUOTES

When I reach for the edge of the universe, I do so knowing that along some paths of cosmic discovery, there are times when, at least for now, one must be content to love the questions themselves.
Neil deGrasse Tyson

If I had to choose my place of birth, I would have chosen a state in which everyone knew everyone else, so that neither the obscure tactics of vice or the modesty of virtue could have escaped public scrutiny and judgment.
Jean Jacques-Rousseau

There is geometry in the humming of the strings. There is music in the spacing of the spheres.
Pythagoras

The most exciting phrase to hear in science, the one that heralds new discoveries, is not 'Eureka!' but 'That's funny ...'
Isaac Asimov

No tropical forest surpasses London or Paris in richness of life, no mountain is more stunning than Manhattan's skyline, no valley more inviting than the streets of Amsterdam.
Arno Karlen

I hope the leaving is joyful; and I hope never to return.
Frida Kahlo
