We remain committed to providing sexual and reproductive health care in Northwest Arkansas. We look forward to sharing more information soon about our new location.

About Provider Recommendations

During this transition process, you will need to have another physician provide your care. If you are not acquainted with alternative physicians in our region, you may use your insurance company's provider directory or refer to the lists to the right of physicians that our providers recommend during this transition.

Once you have identified a physician or practice, you may contact us to obtain copies of your medical record and complete a [records release](#)

[authorization](https://www.plannedparenthood.org/files/8714/6739/1896/Medical_Request_PPGP.pdf) (the authorization should include name and address of patient as well as new physician or practice).
